

Field Fence

Field fencing is the most reliable confinement for animals. While welded fences can be suitable for gardens and small animals, they simply aren't tough enough for large animal corrals and containment. For that, you need a woven, or knotted, fence. Therefore, all of our large animal fencing is made using heavy-gauge wire and knots for strength and durability.

No	Type	Specification MM	Unit weight kg	Wire Diameter	
				Top (mm)	Line (mm)
1	7/150/813/50	102+114+127+140+152+178	19.3	2.5	2
2	8/150/813/50	89+89+102+114+127+140+152	20.8	2.5	2
3	8/150/902/50	89+102+114+127+140+152+178	21.6	2.5	2
4	8/150/1016/50	102+114+127+140+152+178+203	22.6	2.5	2
5	8/150/1143/50	114+127+140+152+178+203+229	23.6	2.5	2
6	9/150/991/50	89+89+102+114+127+140+152+178	23.9	2.5	2
7	9/150/1245/50	102+114+127+140+152+178+203+229	26	2.5	2
8	10/150/1194/50	89+89+102+114+127+140+152+178+203	27.3	2.5	2
9	10/150/1134/50	89+102+114+127+140+150+178+203+229	28.4	2.5	2
10	11/150/1650/50	89+89+102+114+127+140+152+178+203+229	30.8	2.5	2
11	12/150/1650/50	89+89+1 02+114+127+140+152+178+203+229+229	34.29	2.5	2
